

“Amy Willcock - handholder to Aga owners everywhere”
Nigella Lawson, Vogue

Troubleshooting Tips for your Aga

Amy Willcock

Published by Ebury Press on 26th July 2007, £5.99

More people than ever before are discovering the joys of cooking on an Aga. But, as renowned Aga cook and expert Amy Willcock knows, they can be notoriously difficult machines to master. After her experiences running hundreds of Aga workshops and demos, she now brings together answers to the most common questions and queries by Aga users.

From advice on temperatures and timings, to vital cooking equipment, to cleaning and servicing and getting the most out of your Aga, *Troubleshooting Tips for your Aga* will cover every possible problem area. Taking you from the purchase of your perfect Aga to the preparation of a large dinner party, Amy will reveal how to:

- Chose the right Aga for you
- Measure the different oven temperatures
- Convert your favourite family recipes for Aga use
- Find the right Aga cooking kit
- Effortlessly prepare meals from the perfect Sunday lunch to toasted sandwiches

Packed full of practical ideas and time-saving suggestions, you'll wonder how you ever cooked on your Aga without it.

*“The irrepressible Amy Willcock, full of good tips,
good food and good spirits”*

Matthew Fort

“The Aga-guru”

Tamsin Day-Lewis, Daily Telegraph

“Amy Willcock has brought confident, modern cooking to the Aga”

Rick Stein

Amy Willcock writes monthly columns *The Shooting Gazette*, holds regular entertaining, cookery and Aga workshops around the UK and is the author of five Aga cookery books plus a book on how to run a B&B. She has her own range of textiles, Chic Kit, available in stores throughout the country.

She lives on the Isle of Wight with her husband, two young children and various animals - and spends lots of her time cooking, entertaining and washing up!
